

ORTOALRESA BUNDLES

We have created these centrifuge packages based on the most requested configurations, making both selection and ordering easier, as they include all components: centrifuge, rotor, and adapters.

Bundle Reference	Includes	SAVINGS	Applications
Bundle 1: Biocen 22 R Microtubes	Refrigerated centrifuge Biocen 22 R (CE 148) Angle-fixed rotor for 24 microtubes (RT 222)	8,5%	Hospitals Blood banks Pharmaceutical industry Quality control laboratories: food University scientific laboratories Biotechnology
Bundle 2: Digicen 22 Conical Tubes	Centrifuge Digicen 22 (CE 257) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 4x50 ml conical tubes (RE 341) Adapters for 4x15 ml conical tubes (RE 339)	10%	Cell culture laboratories Veterinary laboratories Research laboratories Universities Pharmaceutical industry Quality control laboratories: food
Bundle 3: Digicen 22 R Conical Tubes	Refrigerated centrifuge Digicen 22 R (CE 259) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 4x50 ml conical tubes (RE 341) Adapters for 4x15 ml conical tubes (RE 339)	7%	
Bundle 4: Digicen 22 Blood Tubes	Centrifuge Digicen 22 (CE 257) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 16x10 ml blood collection tubes (RE 316) Adapters for 20x5 ml; 7/10 ml blood collection tubes (RE 320)	6%	Hospitals Clinical laboratories Hematology laboratories Veterinary laboratories Research laboratories
Bundle 5: Digicen 22 R Blood Tubes	Refrigerated centrifuge Digicen 22 R (CE 259) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 16x10 ml blood collection tubes (RE 316) Adapters for 20x5 ml; 7/10 ml blood collection tubes (RE 320)	6%	
Bundle 6: Consul 22 Conical Tubes	Centrifuge Consul 22 (CE 226) Swing-out rotor 4x400 ml (RT 286) Adapters for 12x50 ml conical tubes (RE 413) Adapters for 32x15 ml conical tubes (RE 416)	6,5%	Hospitals Veterinary laboratories Pharmaceutical industry Quality control laboratories Research laboratories
Bundle 7: Consul 22 R Conical Tubes	Refrigerated centrifuge Consul 22 R (CE 232) Swing-out rotor 4x400 ml (RT 286) Adapters for 12x50 ml conical tubes (RE 413) Adapters for 32x15 ml conical tubes (RE 416)	6%	Universities Environmental testing laboratories Cell culture laboratories
