In line with the requirements of these standards, ALVAREZ REDONDO, S.A. (Ortoalresa) defines the following points as priorities:

- ✓ The attention to the requirements, needs, complaints and suggestions of its **customers** and other interested parties, in order to obtain their **satisfaction** and thus ensure compliance with Ortoalresa's main objective.
- ✓ **Flexibility in deliveries:** to carry out an adequate planning and execution in order to obtain the greatest flexibility in deliveries, which reinforces our value proposal.
- ✓ We are committed to complying with the **legal and regulatory requirements** applicable to our manufacturing products and services.
- ✓ Relation with **suppliers** is essential, so we will establish a close collaboration with them, conveying to them our needs in terms of product requirements and control.
- ✓ In addition, **the staff** of the company must have an active and fundamental participation in the organization, so communication between all levels must be fluid and continuous.
- ✓ Personalized **attention to complaints** at all levels, both at the technical level, which will be dealt with by qualified technical service personnel, who have the necessary resources to solve any doubt or problem the customer may have, as well as by any other department that will channel the request for its resolution in the shortest possible time.
- ✓ We are committed to meeting the requirements of the **ISO 9001, ISO 14001, and ISO 13485** standards, as well as maintaining proper functioning through continuous improvement in order to achieve new objectives and the actions necessary to reach them.
- ✓ **Sustainability** in all our processes and interactions between people and with our environment.

This quality policy is available to interested parties who need it.
